RE: Southern Nevada Health District Weekly COVID-19 response Update

The following is a summary of recent developments in response to COVID-19:

- Vaccine updates for first and second doses are frequently posted to the Health District's website. Current information is highly accurate, and it is recommended to be reviewed for all questions. Appointments are required; walk-ins for first doses are not permitted. Appointment availability opens up to seven days in advance.

- Recent updates to vaccination process and availability:
 - A state-wide centralized call-center/helpline for all COVID vaccinations will provide information and schedule/cancel appointments. **1-800-401-0946**
 - Same-day appointments are available at vaccination sites.
 - All categories within the Frontline Community Support Group is now eligible. This includes all foodservice and hospitality workers.
 - Additional community partners are also providing vaccinations to eligible groups:
 - UMC: www.umcsn.com/COVIDvaccine or call 702-789-5160.
 - Nevada System of Higher Education (NSHE) at UNLV/CSN: <https://www.unlv.edu/coronavirus/vaccine>
 - Please contact any pharmacy directly for information on vaccinations as their eligibility may differ.
- The CDC recently released updated guidance for those that are fully vaccinated. These guidelines are intended for family and friends in homes and communities. Until higher vaccination rates are seen, it is recommended for all others when out in public and in workplaces to continue to take precautions.
- Any questions about the submission process for large-gathering plans can be sent to largegatheringplans@snhd.org
- Community resources and access to services can be provided by dialing 2-1-1 or texting your zip code to 898211
